WHAT DO WE DO?

Compete, Learn, Volunteer,

Educate

Statewide we offer two conferences in which we **compete**, Mid-Winter and State. You can think of Mid-Winter like a practice state competition.

We **learn** about the healthcare field and all that it entails in our local chapters and our leadership conferences.

HOSA members also **volunteer** in their communities and have the opportunity to earn scholarships for their work.

We help to **educate** our communities about the importance of the healthcare field and often teach skills like CPR and First-Aid.

Since its inception in **1976**, HOSA has grown steadily reaching over **260,000** members through **54 chartered** HOSA Associations, American Samoa, Canada, China, District of Columbia, and Puerto Rico.
