State Officers' Day at the Capitol

MN HOSA attended the capitol to speak to multiple representatives and senators to raise awareness for all CTSO's and help raise our funding.

Charlie Workman, MN HOSA Vice President of Engagement, talked about his experience at the Capitol. He said that "the Day at the Capitol was an unreal experience. Increasing awareness for my passion was an incredible opportunity. I am so grateful to have had the chance to represent MN HOSA to our delegates, and help raise our funding. Being at the capitol was a very exciting outing!"
